## Chapter 1 by Holland Silva

My name is Hermione Floyridia Whincter. A weird name, I know. My aunt says that the name is what is most interesting about a person. Well in the at case, my friend, Anna Grace Smith, is probably a pretty boring person to my aunt. All of my family has odd names. My brother Lucith Moeberry Whincter, my aunt, Eliahte Huntrid Klayton, and my cousin, Gontolo Sarsic Klayton. Literally, my computer doesn't know those as names. Red dots everywhere, it's like chicken pocks.

My life started on November 6th, 2003. My brother, is three years older then me and is just in the middle of what my aunt calls, 'the teenage faze'. Pshh...faze. My brother has been like this his whole life. Lucy just doesn't know what's good for him does he. Hair over one eye, locked in his room all day. He doesn't really have any friends except for his girlfriend, Connie. "What a boring name." My aunt would say.
